Stop rabies by 2030

Rabies remains a significant public health challenge in Tanzania, with an estimated 1,500 human deaths annually, including 600 children. The actual number might be higher. In Mambo, there are reports of people dying within days of being bitten by an infected dog. Vaccination is a cost-effective and essential intervention to ensure the safety and well-being of communities worldwide. This year we already vaccinated 1200 dogs [Read more](#)
